A man in a hurry  
スクリプト

**A man in a hurry.**

**Hey, slow down!**

**What are you so on  
edge about?**

**I need to get across town  
to the Manheim building  
by three o' clock.**

**What' ll get me there  
fastest? The  
subway?**

**Oh, don't even think  
about it!**

**You'd have to  
transfer twice.**

**And it' ll take an  
hour at least.**

**Take the bus instead.**

**What? You think the  
bus is faster than a  
taxi?**

**Taxis are hard to  
find this time of day.**

**And the bus going to**

**Manheim Square stops right**

**in front of our building.**

**Anyway, while  
you're waiting at the  
bus stop,**

**You can try to grab a  
taxi if one goes by.**

**Hey, that ought to  
work out all right!**

**Glad I ran into you.**
